PLAYING PROFILE

PLAYING IDENTITY

Nathan Huygevelde is a central midfielder whose game is built on football intelligence, technical quality and high-intensity performance. Naturally suited to the No. 8 role, he is equally capable of operating as a No. 6 or in more advanced midfield positions, adapting effectively to different tactical demands.

IN POSSESSION

Nathan brings structure and composure to his team's build-up through intelligent positioning, continuous availability and sound decision-making. He consistently provides passing options, receives comfortably under pressure and progresses play through secure ball circulation and forward-thinking distribution. Comfortable with both feet, he possesses an excellent passing range and the ability to switch play accurately over longer distances. His crossing technique and quality of delivery create additional attacking opportunities, while his game intelligence allows him to recognise when to accelerate play, retain possession or change the point of attack.

OUT OF POSSESSION

Nathan combines tactical discipline with a relentless work rate. He recognises defensive triggers early, reacts quickly in transition and contributes consistently to the team's defensive organisation. His mobility and positional awareness allow him to recover effectively, support collective pressing and maintain balance throughout all phases of the game.

WHY THIS PROFILE

Nathan combines football intelligence, technical quality and high-intensity performance with experience in professional first-team environments and a full season of regular senior football. Comfortable in different midfield roles and capable of adapting quickly to tactical systems and coaching demands, he is ready to contribute within a structured and demanding professional environment.

CAREER PATH

From academy development to senior football

2010–2017

KV KORTRIJK ACADEMY

Seven years of technical and tactical development laid the foundation for Nathan's playing style and football intelligence.

2017–2020

KAA GENT ACADEMY

Continuing his tactical and technical development within one of Belgium's leading youth academies.

2020–2022

ROYALE UNION SAINT-GILLOISE ACADEMY

Completed the academy pathway before signing his first professional contract with Royale Union Saint-Gilloise.

2022–2024

ROYALE UNION SAINT-GILLOISE

Signed his first professional contract and spent two and a half seasons within the first-team environment. From the winter of the 2022–23 season onwards, Nathan trained consistently with the first team, was included in UEFA Champions League qualifying and UEFA Europa League matchday squads, and made his senior European debut in the UEFA Europa League qualifiers against Lugano before making a second European appearance against Fenerbahçe, while also making two Belgian Pro League appearances as a late substitute.

2024–2025

KV KORTRIJK (LOAN)

Joined KV Kortrijk on loan for a Belgian Pro League season characterised by three managerial changes and an intense relegation battle, circumstances in which immediate results naturally became the priority. Despite limited playing opportunities, he remained part of the first-team environment throughout the campaign, continuing his development as a professional.

2025–2026

UNION SG U23 — CONSISTENT SENIOR FOOTBALL

Completed a full senior season with 31 league appearances, 30 starts, 2,658 official minutes, 3 goals and 5 assists, confirming his readiness for consistent senior football.

SPRINTS	19	#1
MAX SPEED	33.91 KM/H	#2

2025-26 SEASON HIGHEST MATCH OUTPUT

Based on 9 available match reports

12,7 KM

Highest Total Distance in a match

1,790 M

Highest Total Distance in a match

129,6 M/MIN

Highest Distance per min in a match

33,26 KM/H

Peak Speed

During the 2023-24 season, Nathan played an official Division 2 match while Royale Union Saint-Gilloise's first team played an official league match against RSC Anderlecht. Both matches were monitored simultaneously using the club's official STATSports GPS system. As a member of the first-team squad maintaining match rhythm with the U23 team, Nathan's GPS performance data were included in the first-team squad dataset, allowing a direct comparison with the senior squad.

KEY ATTRIBUTES

What clubs can expect

01

FOOTBALL INTELLIGENCE

Quickly understands tactical concepts, recognises game situations and makes effective decisions under pressure. His understanding of the game allows him to adapt efficiently to different tactical demands.

02

PROFESSIONAL ENVIRONMENT

Having spent two and a half seasons within a professional first-team environment, Nathan understands the standards, expectations and daily demands of elite football.

03

TACTICAL ADAPTABILITY

Comfortable operating as a No. 6, No. 8, in more advanced midfield roles or as a wing-back, Nathan offers tactical flexibility across multiple systems. His positional understanding allows him to adapt naturally to different playing styles and coaching philosophies.

04

CONTINUOUS DEVELOPMENT

Nathan approaches his career with a long-term mindset, consistently investing in his development both on and off the pitch. Alongside his professional football career, he combines the Bachelor phase of the Business Engineering programme at KU Leuven, while football remains his absolute priority.

WHY NATHAN?

A PROFILE BUILT FOR THE MODERN GAME.

"Football is increasingly played at higher intensity and with greater tactical demands.

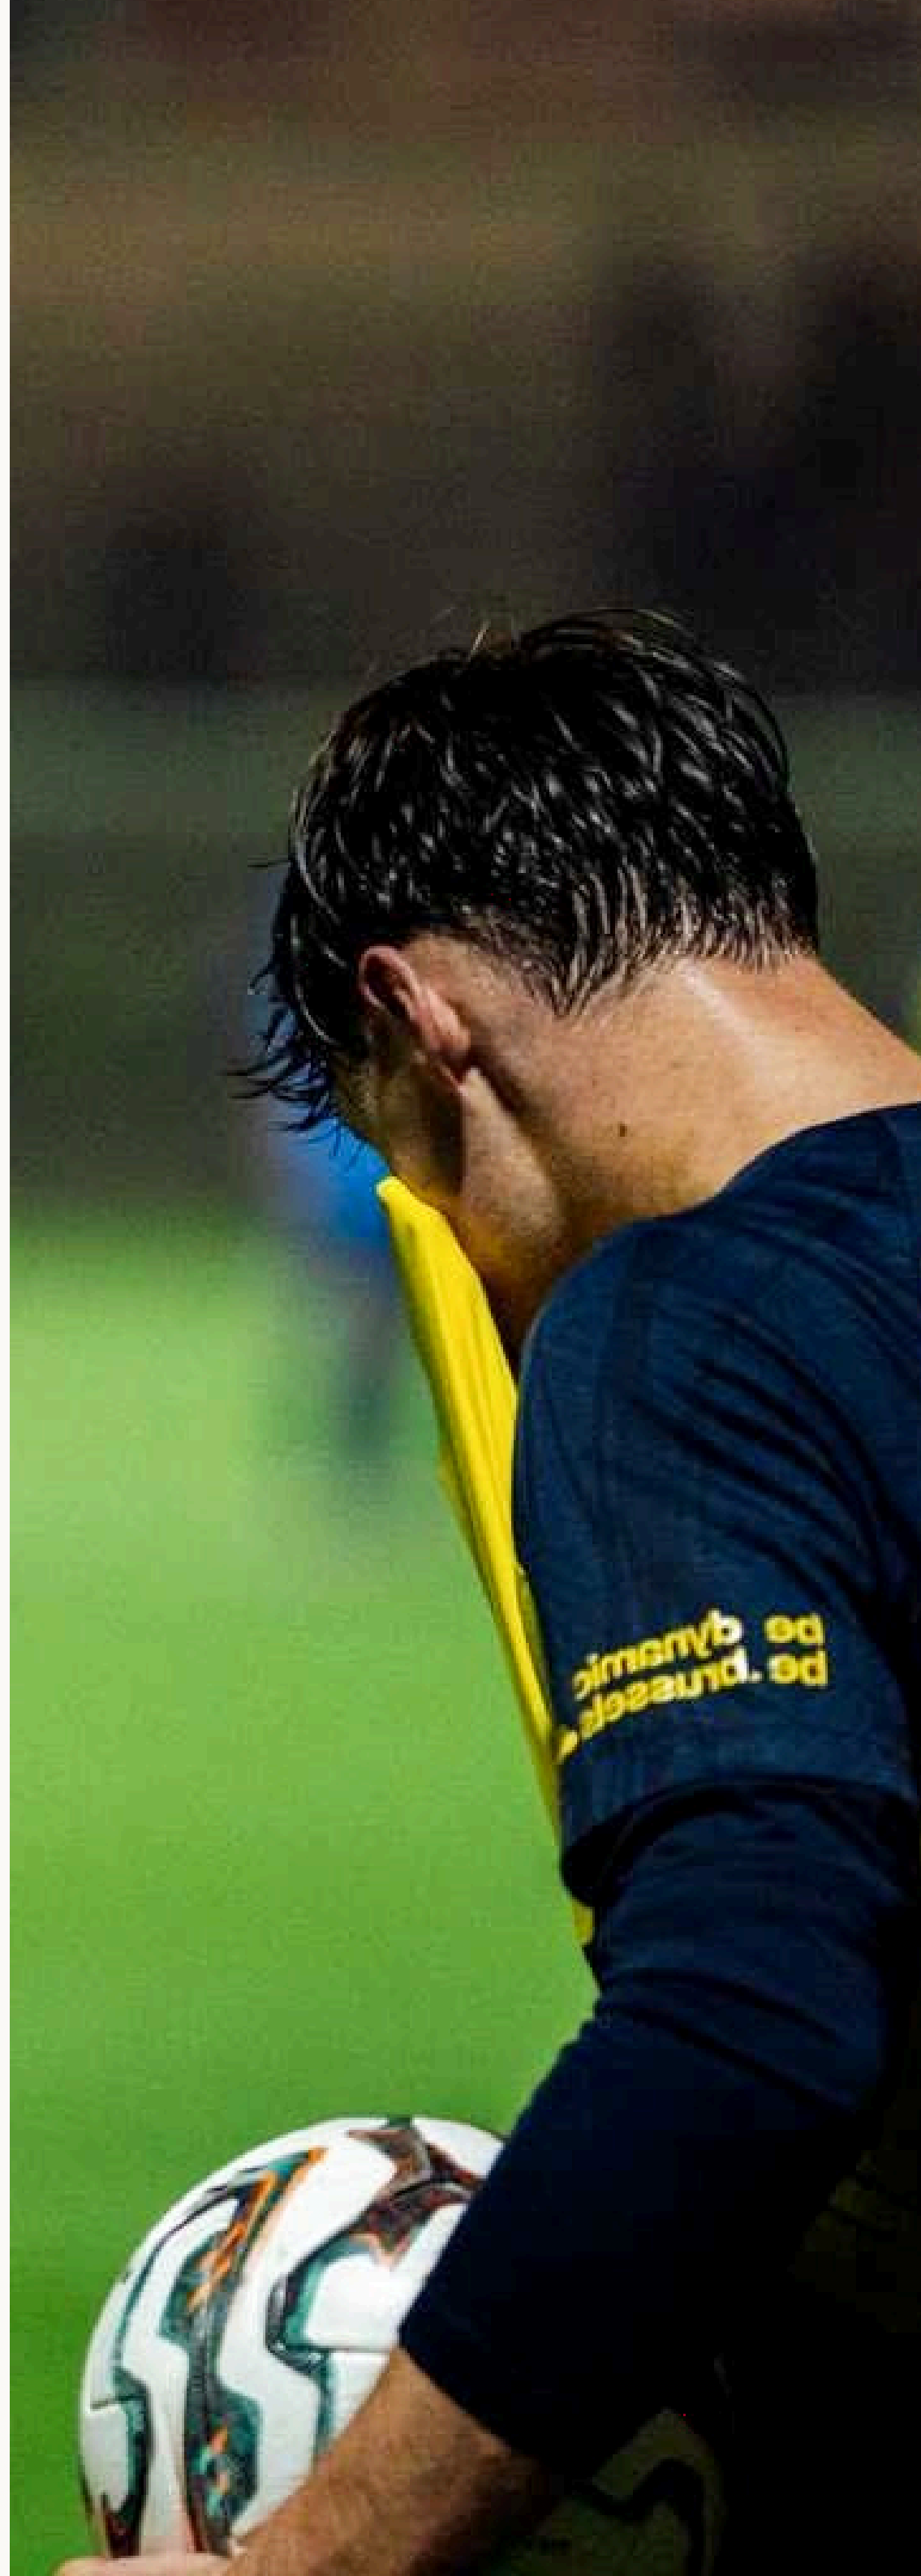

Nathan combines football intelligence, technical quality and verified physical performance with experience inside professional environments."
